Dear Families,

A mixture of sunshine and showers this week, but we have still had a lovely week of learning and fun! Despite the recent weather, we are now all looking forward to half term. We are finalising our events schedule for the summer term so watch out for more information after half term with additional dates for the diary.

This week has been a very busy one; myself and the leadership team have spent a number of sessions in classes over the last few weeks. It has been wonderful to see all the children displaying excellent behaviours for learning and loving their topics. Many children were eager to show us their work and talk about the things they have found out or can now do.

Our value for the next half term is independence and we look forward to exploring this with the children in a number of different ways.

I hope you all have a wonderful and relaxing half term break and enjoy the long Jubilee Weekend.

Mrs Abbott
Headteacher

YEAR 2 SATS

Children have completed all their National Tests (quizzes). We kept things very low key for the children so that they were relaxed and completed the assessments in a confident way. The outcome of the assessments will be used along with the teachers' judgements to form a teacher assessment that will be reported to parents in the children's end of year report.

I would like to say how proud I am of the children who have sat National Tests over the last few weeks. They all rose to the challenge magnificently. Thank you for your support during this time.

Upcoming Events...

Monday 30th May – Friday 3rd June

Half Term

Saturday 4th June

Godalming Carnival and Parade

Monday 6th June

Children return to school

Tuesday 7th June

Sports Day (Reserve 9th June)

Friday 10th June

MUFTI in exchange for Jolly Jam Jars

Check out our online calendar of events [here](#).

Summer Term 2

Woodland School Dates...

Monday 13th June

Pandas

Tuesday 14th June

Polars

Monday 20th June

Foxes

Tuesday 21st June

Squirrels

Monday 27th June

Otters

Friday 1st July

Hedgehogs

BUMP UP DAY - Tuesday 28th June 2022

On the afternoon of the 28th June the children will go to their new classes and meet their teacher and learning support assistants. Year 2 children will also have new school visits on that day. Your new school will contact you with information about this closer to the time.

If your child isn't having their new school visits on this date, children are still expected to come into school as we have activities arranged for them.

Year R and Year 1 children and parents will find out the evening before Bump Up day which class they will be moving to.

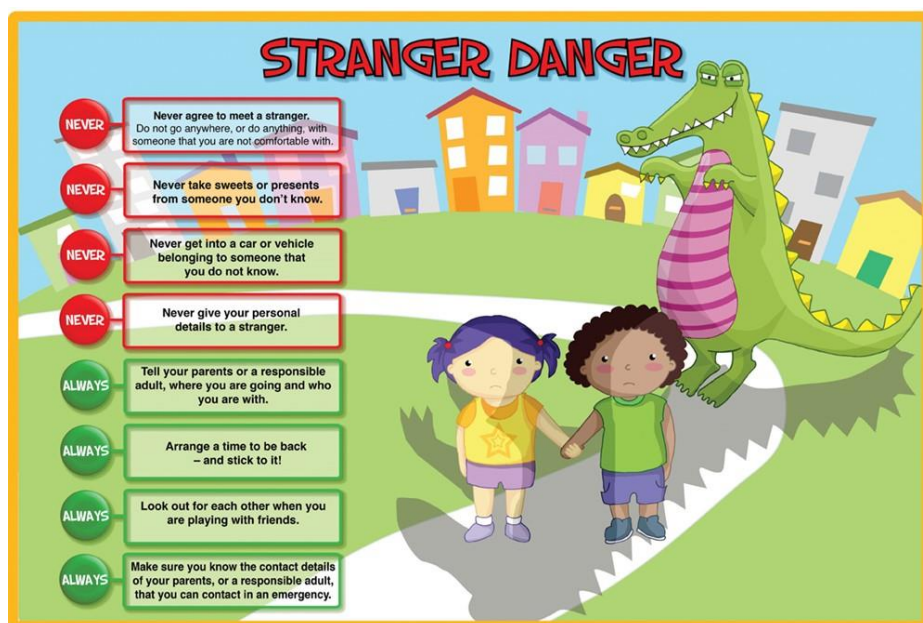

Lost Property

Please can all families make a concerted effort to ensure that all uniform is labelled. We are getting increasing amounts of lost property that we cannot store and have to dispose of.

Safeguarding update

As we come into the summer months, children may be playing outside more. Please remind your children about stranger danger and the importance of always letting an adult know where they are.

Below are important reminders that ensure the safety of our children and staff. Please take time to read them. Many thanks

Toys in school...

We have seen an increase in children bringing in items from home, such as toys or cards that can be traded. These items can cause a lot of distress and arguments in school therefore please can I remind all children not to bring toys or **playing cards e.g. Pokémon** into school.

Any items found will be kept safe by the teacher until the end of the day when they can be safely returned to a grown up.

Pepperpot Play Equipment...

We know that the school playground is an exciting place especially for younger siblings but can we please remind you that the play equipment and the Pepperpot is **closed to all children before and school**. We will be reminding children of this after half term.

Breakfast Club...

If your child is attending breakfast club please ring the bell on the wooden doors after 8am. A member of staff will then come and welcome your child into school.

Please ensure that a grown up waits with their child until a member of staff comes. No children should be sent to the door alone.

Jubilee Event Special...

Today we celebrated the Queens Jubilee in style with a range of fun and exciting activities in the morning and then a traditional street party where all the children enjoyed a special Jubilee cake (thanks to the PTA for organising). They were also presented with a commemorative Jubilee wooden medal.

Over this term we have also planted an amazing red, white, blue Jubilee garden that includes King Ferns under the tree. Special thanks to Mrs Joyce for all her help and support with this. The children have also designed special ceramic tiles. Each child had to draw a picture relating to nature as this is a passion of the Queens. This will be put up on the wall of the playground as a whole school art installation.
