

IMPORTANT WASH CARE INSTRUCTIONS

Order Your School Uniform Online

Always refer to your garment care label to ensure that your uniform looks as good as new for as long as possible. We produce tough, hardwearing uniform, however it is important that you follow the care labels correctly to ensure you get the best out of your purchase.

- Turn garments inside out to wash and dry
- Fasten any buttons before washing
- Do not overload machine
- Iron inside out on a cool setting to avoid heat damage, which can cause a shiny surface on fabrics (do not iron knitwear or cuffs and welts on sweatshirts)
- Bobbling/Pilling is caused by friction and excessive heat. It is also known within the British textile industry that fabric softeners are a major cause of bobbling/pilling of the fabric. Bobbling/pilling often disappears over time and is not a reflection on the quality of the garment.

Washing symbols and their meaning

HOW TO MEASURE YOUR CHILD

Measure the actual body measurements as this is far more accurate than measuring over clothes.

CHEST: Measure around the chest at the fullest part, placing the tape close up under the arms.

COLLAR: Measure around the base of the neck where the collar sits, inserting two fingers between the neck and tape to allow growth

WAIST: Measure around the natural waistline.

TROUSER LENGTH: Measure the inside leg from crotch to floor without shoes on.

HIPS: Measure around your hips, 20cm (8") below your natural waistline.

SKIRT LENGTH: Measure from the waist down to where you would want the hem

DRESS & PINAFORE LENGTH: Measure from nape of neck to length required.
