ABOUT SCL

We believe that children should have access to quality extra-curricular activities during their primary school years. We also understand the positive impact that these clubs can have on the lives of young people. We work with over 130 primary schools and nurseries and our After School Activity Clubs allow you to relax in the knowledge that your child is happy and engaged in learning a new sport or skill.

SCL COACHES ARE:

✓ **Qualified Childcare Professionals**

✓ **Enhanced DBS checked**

✓ **Paediatric First Aid Qualified**

✓ **Fully Insured**

✓ **Child Safeguarding Trained**

SCL Activity Clubs are engaging and active sessions for boys and girls of all abilities who are keen to develop their skills and knowledge of the activity. Each week, through a range of fun exercises and drills, your child will learn new skills and techniques, all of which are designed to maximise their development, knowledge and enjoyment. At the end of each session children will also have the opportunity to put their newly-learned skills into action during team games or performances.

BENEFITS TO CHILDREN AND PARENTS

Children will be engaged in a fun and educational programme, learning new skills and techniques in each session. Whilst children will be encouraged to develop, the focus is always on enjoyment. Parents will have the benefit of an extra hour at the end of the school day, safe in the knowledge that their children will be learning and having fun in a safe environment.

Creating a legacy in the communities we serve.
