

## Bears Home Learning Week Beginning 8.6.2020

Maths	English	Creative	The World	Physical
Introduce the idea of what symmetrical means – finger print with paint on one half of the paper, fold it in half, press down and open. Talk about how each side of the paper now looks the same.	Watch The Very Hungry Caterpillar video <a href="#">here</a> or read the story if you have the book.	Finger paint The Very Hungry Caterpillar 	Can you use a computer or tablet to find out 3 caterpillar facts?	Roll a strip of paper tightly around a pencil to create a snail shell. 
Can you create a symmetrical butterfly – make sure both sides look the same.	Can you retell the story of The Very Hungry Caterpillar and remember in what order the foods come?	Can you make a caterpillar out of an egg box or similar. 	Write down or type your 3 caterpillar facts.	Go on a butterfly hunt – how many butterflies can you spot?
Introduce the concept of halving... sharing equally between 2. Using 2 plates, share some food equally between the plates. 'One for you, one for me...'	Plan your own Hungry Caterpillar story changing what food he would eat each day. Write down or draw the plan for your new story on a piece of paper.	Make a Very Hungry Caterpillar paper chain. 	Research the lifecycle of a butterfly. (An example is <a href="#">here</a> )	Can you create a butterfly dance?
Can you share some raisins/sweets/crisps between you and a teddy bear friend? Make sure you both have the same amount.	Retell your new Caterpillar story to your grown up using your plan to help you.	Create a collage of a piece of food from the book using magazines, newspapers or brochures.	Create a poster for the lifecycle of a butterfly.	Can you wriggle across the floor like a caterpillar without using your hands or feet?
Can you find: Half of 2 Half of 4 Half of 6 Half of 8 Half of 10	Create a book of your new story.	Create a symmetrical butterfly out of loose parts (e.g. buttons, coins, lego)	Healthy Eating sorting game <a href="#">here</a> .	Draw a piece of food that the caterpillar eats. Can you cut a hole in the middle of eat where the caterpillar has eaten?

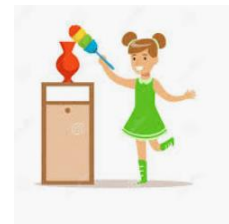

## Must Dos

*Parents – give the children the sheet to the left or draw one out on paper. Tell them the three must dos on the right and show them the pictures. Ask them to record their Must Dos for the week by drawing a picture and writing under it. Don't forget to tick them off when you are done!*

### Challenge 1

#### Must Do Job 1

Learn how to do dusting this week. Ask a grown up to show you and then dust your bedroom.

### Challenge 2

#### Must Do Job 2

Complete a random act of kindness for someone this week. Do something kind without anyone asking you to. E.g. get your grown up a snack, get ready for bed without being asked, draw someone a picture...

### Challenge 3

#### Must Do Job 3

Try to remember off by heart all the different ways to make 10.
