---

Dear Families,

I hope you had a lovely Easter break and enjoyed quality family time together. It has been good that the improved weather has allowed more opportunities to get out and about. I am sure many of you, like me enjoyed the break.

We have had a great start to the Summer term and all our children have settled back into school with smiling faces, eager to learn and play together.

Have a wonderful Bank Holiday Weekend!

Mrs Abbott  
Headteacher

## Parent Clinics

These are a good opportunity for you to discuss any concerns/worries that you might have about your child with Mrs Abbott. You should have discussed these issues with your child's class teacher in the first instance. Then, if you feel they have not been resolved please make an appointment via the school office. These appointments will be face to face so please inform the office if you would like an appointment. The appointments last approximately 15 minutes. The next parent clinics will be :-

- Friday 13<sup>th</sup> May 9-10am
  - Thursday 30<sup>th</sup> June 9-10am
- 

## YEAR 2 SATS

This term Year 2 children will be completing their National SATs Tests. The children will be assessed in Reading, Writing, Maths and Spelling Punctuation and Grammar. We like to keep things very low key for the children so that they are relaxed and complete the assessments in a confident way. The outcome of the SATs will be used in addition to the teachers' judgements to form an end of year assessment that will be reported to parents in their report. We don't tell children when they will be doing their SATs as we like to make it appear to be a normal school day. Please can I ask all parents of Year 2 children to ensure where possible they are in school every day this term. If you have any questions or queries around the SATS please speak to your child's class teacher.

Our value for this term is  
**Resilience**

---

## Upcoming Events...

### Tuesday 3<sup>rd</sup> May

Duckling Eggs Arrive  
Healthy Me Sponsorship Money  
Deadline

### Wednesday 4<sup>th</sup> May

Year R Health checks

### Thursday 5<sup>th</sup> May

## What's going on in school...

### Year 2 Wisley Trip

Year 2 had an amazing day at Wisley. They worked with Jon to find out about plant life cycles including seeds and decay. The children loved visiting the allotment area and have brought back many ideas to put into practice in our allotment.

It was lovely to see how well behaved the children were on their first proper school trip.

### Moss Lane School Song

Over the next few weeks each class will be visited by a musician called Anna Tabbush. She is helping the children write and learn a Moss Lane School song which will incorporate our values and things the children love about our school. We can't wait to show you the end result!

### Allotment – Thank you!

A big thank you to all the parents and staff for their hard work on the allotment during the Easter holidays. It was wonderful to see it busy. We managed to get so much done and make it ready for the children to start grown and planting all their seeds. A special thank you to Mr Twaits, Miss Betterton and Mrs King for all their additional work. It is a wonderful place for all the children to visit and is where we will be excited to be running Woodland school from.

### Summer is coming!

Despite the sun there has still been a cold wind so please continue to send your child in with a coat. When the weather gets warmer please send your child in with a named sun hat. On hot days we ask that you apply sun cream first thing in the morning before your child comes into school. Please do not send sun cream into school. We have shaded areas on the playground where we encourage the children to play when it is hot. If you are buying summer shoes / sandals for your child, please buy ones that are enclosed and not open.

## Appointments...

If your child must have a medical or dental appointment in school time. Please try and make

it after 2pm so your child can have their registration mark for the afternoon. If it needs to be in the morning, please try and bring them to school first to get their registration mark and return them to school afterwards.

Wherever possible appointments such as dental, medical, opticians should be booked outside of school hours or during the school holidays. Absence Request Forms can be found [here](#).

## Watches...

We are mindful a lot of children are wearing 'Fitbit' style watches to school. We do prefer that

children wear analogue watches so that they can learn to tell the time and are not distracted by games and other facilities these watches have.

## Ofsted Parent View...

Ofsted Parent View is an opportunity for you to give your view on our school. The questionnaire can be completed at any time - you don't have to wait until the school is being inspected.
