Summary of pupil premium funding 2015-16
<p>Objectives of spending Pupil Premium are</p> <ul style="list-style-type: none"> • To ensure all disadvantaged groups of children make expected or better than expected progress. • To provide a home school link worker • To provide targeted support to individual children to ensure they can access their learning. • To provide targeted support in Maths and Literacy and to secure improvement in achievement for disadvantaged children in these areas. • To ensure that all disadvantaged children are given opportunities to be involved in all enrichment activities (e.g. swimming, school trips, and break-fast club).

Targeted Support Areas			
Item/Project	Objective	Cost	Impact
Home School Link Worker	Parenting support, parenting workshops, support with applications for external agencies, importance of play at home, healthy eating and bedtime routines, translation service	£7,000	Many families received individual home visits and had the Home School Link worker attend as liaison for a variety of meetings with a range of organizations across Surrey. Her help has been invaluable in obtaining key services for lots of families in the school particular in our Year 2 cohort.
Additional LSA support	Targeted support for classes with Pupil Premium children with	£6,000	LSA's have been able to make the school environment more nurturing and personal providing some

	additional emotional and mental health needs to provide stability and security		one to one support and attention and additional groups for more vulnerable children. The impact being that school refusers and reluctant children have been fully integrated into the school and class routines.
Additional reading interventions	Targeted support for children not making expected progress in reading from class LSA	£1,000	Reading progress has been excellent with 100% of the targeted children making 4 steps and more progress.
Early literacy support (5 minute phonics)	Reading and writing intervention for children who are not making expected progress in their learning (phonics based)	£700	Interventions meant that 100% children in receipt of pupil premium were able to make 4 steps progress and more.
Early numeracy support (5 minute maths)	Maths intervention for children who are not making expected progress in their learning.	£700	Interventions meant that 100% children in receipt of pupil premium made 6 steps progress
Social skills group	This allows children to practice social skills such as turn taking, sharing and developing emotional literacy	£600	Behavior and inclusion of children in all activities of the school has been good as these invaluable skills have been specifically taught to children who need them. Incidents in the playground are at an extremely low level.
Trip subsidy	Children able to learn, opportunities for new learning experiences provided	£450	Pupil premium children were at no visible disadvantage to other children in the school and were able to attend all learning activities and trips provided.
Club subsidy	Children able to learn, opportunities for new learning experiences provided	£450	Self- esteem through sport and the social skills gained through interaction with other children at after school clubs means that Pupil Premium children we

			able to access extra-curricular activities.
Additional resources	To provide additional resources to enhance literacy, maths, emotional and social skills. Additional teacher time in marking Pupil Premium books first and making sure they are feedback to each day put them as a priority in the classroom.	£300	Access to a range of resources has improved learning opportunities families in receipt of Pupil Premium.
TOTAL			£17,200*

* Please note other funding will be used to support these activities

Outcome
At the end of Key Stage one, 90.5% of children who qualified for Pupil Premium made the expected 5 steps progress in all subjects.
