Patience**

Following on from our Dance Week, the children before half term also enjoyed a yoga week. It was wonderful walking through the hall which had become dark and quiet watching the children learn poses such as the tree or lying under blankets learning how to relax and un-tense their bodies.

From Monday we will have the Guess the Bear's name in the hall for Children in Need. For £1 you can guess the cuddly Bear's name. On Children In Need the winner will be announced and they get to keep Pudsey.

Please remember that we do not allow dogs on school grounds at any time, including when collecting from after school clubs.

We know that Birthdays are very exciting and some children like to give out a snack at the end of school on their special day. Because we are part of Healthy Schools we would ask that these snacks are not sweets, chocolate, crisps or anything containing nuts.

The PTA has a new section on our school website. Please visit www.moss-lane.surrey.sch.uk to find out about the following:

Casino Night, Canvas Bags & Film Night

As well as news about cake sales and other amazing things that they are doing.

Learning at Moss Lane...

BEARS

Bears have been getting into the Harvest spirit whilst also working on their fine motor skills. These fine motor skills are one of the building blocks in helping the children learn to write as it assists them with holding a pencil correctly.

They have been carving the pumpkins and then hammering golf tees into them. The trickier job that they have all enjoyed having a go at is stretching a rubber band around the pumpkin.

Year 1

Foxes and Squirrels were very lucky to be visited by another Doctor this week. Dr Rintilla very kindly gave up his time to talk to the Year 1s. He showed the children how to use an otoscope to look into their ears.

Year 1 have also been getting into the Halloween spirit by designing and decorating biscuits with spiders and pumpkins and then writing sentences about them.

Year 2

Year 2 have been studying the book Toby and The Great Fire of London as part of their new Out of the Ashes topic.

They have worked very hard writing film scripts based on the story and using speech for characters. They have then created their own puppets who got to star in a film that they have made using their scripts and a Great Fire of London back-drop.
