Dear Families,

This week has been full of fun as we celebrated Healthy Me Week. We have also had the excitement of our ducklings hatching and our Jubilee garden starting to emerge – keep an eye out under our tree as a green fingered volunteer works her magic!

We are now in the assessment period for end of Reception, Year 2 SATS and Year 1 and Year 2 Phonics checks. Teachers have to assess the pupils against government expectations. The outcome of these assessments will be reported within the end of year report in July. Good attendance will help to ensure children reach their full potential.

The children have also been enjoying the warmer weather and have been out and about being busy on the school allotment.

Enjoy a restful weekend.

Mrs Abbott
Headteacher

QUEEN ELIZABETH II Platinum Jubilee Celebration May 26th 2022

We are planning a special Jubilee Party in school to celebrate the Queen's 70th Anniversary on the British Throne. On the day the children can dress as Kings, Queens, Princesses, and Princes or wear Red, White and Blue. We will be enjoying a 'street party' with crown making, treats, singing and lots of fun!

Our value for this term is
Resilience

Upcoming Events...

Monday 16th May

Seedlings to return to school
Foxes at Woodland School

Tuesday 17th May

Squirrels at Woodland School

Wednesday 18th May

Y2 leavers hoodie order
deadline

Monday 22nd May

Otters at Woodland School

Tuesday 23rd May

What's going on in school...

Healthy Me Week

The week started with a special visit from Montel Douglas who is a member of the Great Britain women's two-woman bobsleigh team. She told the children about how she got into her sport before putting them through some fun circuit training! We have had yoga sessions with the children learning some basic poses and breathing techniques. They have also taken part in smoothie making, with some very yummy drinks being made!

Ducklings

Our ducklings have hatched! We had an intense week last week, checking the eggs and seeing if anything was hatching. Finally six gorgeous ducklings emerged. The children have loved watching them emerge and then having the opportunity to hold them and take them swimming in our make shift pond. We were sad to say goodbye to them but they have gone to live with Mrs Higgs with lots of other ducks.

Woodland School

Bears have had a great time exploring our new Woodland school offering. They have enjoyed digging, toasting marshmallows and bug hunting.

Toys in school...

Children **should not** bring toys from home into school. These are often the source of disagreements or upset when they go missing/get broken etc.

Thank you...

A big thank you from Miss Harrison to all the children and parents in Hedgehogs and Otters for her lovely gift.

Weather...

As the weather is improving, please make sure that children come to school with a sun hat and their water bottle. You will need to apply sun cream before school to protect your children, as staff are unable to apply it during the day.

Children still need to come to school with a coat in case it rains.

Summer Reading Challenge...

The Summer Reading challenge 2022 theme this year is 'Gadgeteers'.
