Summer 2

**Value of the
Month
June
Resilience**

Can you believe it's the summer term and nearly the end of the school year! Where has that time gone? The summer term is always a busy one, full of exciting activities and of course, changes. Even at this early stage of the summer term, the children begin to think of what lies ahead. They will be full of mixed emotions; sadness as they near the end of their time in their current class and excitement and apprehension as they eagerly wait to move onto their new class or school. We will support them through this, encouraging positivity as I know you will too.

YEAR 2 SATS

Year 2 children have completed all their National Tests (quizzes). We like to keep things low key for the children so that they are relaxed and complete the assessments in a confident way. The outcome of the SAT assessments will be used along with the teachers' judgements to form a teacher assessment that will be re-

ported to parents in the children's end of year report.

I would like to say how proud I am of the children who have sat National Tests over the last few weeks. They all rose to the challenge magnificently. Thank you for your support during this time.

Summer fair

Thank you to all the parents and staff and Governors who attended this years Summer Fair. Despite the very changeable weather everyone still had great fun. The PTA did a wonderful job organising all the stalls and putting on an exciting event. Thank you to everyone for their hard work getting donations for our amazing raffle and donating Jolly Jam Jars and baked goodies.

Fathers Day

It was fantastic to see so many Dads' on Friday working hard with their children on our Book and Reading themed Father's Day. We saw a great variety of book marks and book covers. The children thoroughly enjoyed themselves and walking around the school there was an amazing buzz. Thank you for your time and effort.

Godalming Carnival

A big thank you for all the families that turned out for the beautifully glorious Godalming carnival. A big thank-you to the PTA and Mrs Leggett who helped the children make their surf boards and to Mrs King who organised all the parent helpers and the float. It was an enjoyable event and all the children looked magnificent dressed in their beach wear.

For those of you that didn't know we WON and have the amazing shield in our display cabinet opposite the office window.

Rotary Day Out

This year's Rotary Club 'Kids Day Out' was attended by a group of eleven Moss Lane pupils. Thankfully the rain stayed away and the children had a wonderful time. All returned suitably exhausted after a fun filled day of funfair rides, face painting and ice cream!

SPORTS DAY

The whole school gathered on the Bury's Field for a wonderful morning of various sporting activities. There was a tennis and hockey relay. Then a throwing challenge, an obstacle race and a running race. The activities were set up and run by the fantastic students from Godalming College and the teachers all had lots of fun supporting their classes around each activity. After everyone had had a go at every task, we all gathered by the running track for ice lollies, whilst the parents and staff took part in their races. Thank you to the PTA for the deliciously refreshing ice lollies and Mrs Betterton our PE Lead for coordinating the morning.

Lastly, thank you to all the parents who came to support us on this beautiful sunny morning.

Book Amnesty

Our school reading books are really important to us and our children. Throughout the year many books are lost at home or are simply not returned. These books are very expensive to replace so please join our book amnesty and return any books that you find at home that belong to us. Please put them in a bag and hand them to your class teacher or to the office.

Want to learn to play the piano?

Does your child want to learn the piano? At Moss Lane we offer piano lessons through Surrey Arts. Fees from September 2019 for a term of 10 lessons are as follows:

Fees from September 2019 for a term of 10 lessons for all instruments and children at school:

- £81 (Group of three or four, 30 minutes)
- £81 (Group of two, 20 minutes)
- £119 (Group of two, 30 minutes)
- £158 (Individual, 20 minutes)
- £225 (Individual, 30 minutes)
- £50 (Group of five, 30 minutes)

Parent clinics

Parent clinics are a good opportunity for you to discuss any concerns/worries that you might have about your child with Mrs Abbott. You should have discussed these issues with your child's class teacher in the first instance. Then, if you feel they have not been resolved please make an appointment via the school office. Our next parent clinic is:

Friday 21st June 9am—10am

The appointment lasts approximately 15 minutes.

Parent Open Afternoon

Monday 22nd July 12th July 2.00pm -3.15pm

You are warmly invited to attend our parent open afternoon. This is an opportunity for your child to guide you around the school to enjoy all the fantastic learning that has taken place during the school year. This is a wonderful chance to visit their class for next year and look at the types of learning they will be doing.

Why not visit the Library to meet the very hungry caterpillar who has turned 50 this year.

If you're unable to attend, your child will remain in their classes. Please tour the whole school including Bears as all the children are very excited to show off their hard work.

BUMP UP DAY

Wednesday 3rd July 2019

On the afternoon of the 3rd July the children will go to their new classes and meet their teacher and learning support assistants.

Year 2 children will have new school visits also. Your new school will contact you with information about this closer to the time.

If your child isn't having their new school visits on this date, children are still expected to come into school as we have activities arranged for them.

Reports

In July you will receive your child's end of year report. There is an optional evening set aside if you have any questions about their report.

This is not a normal parents evening with a slot for each child, we only have limited slots available therefore please speak to your class teacher after you have received your report about booking an appointment.

Lost Property

There is a large amount of unnamed clothing in lost property and left in classrooms. Please can all families make a concerted effort to look for items and ensure that all uniform is labelled.
