

## **PE & Sports Grant 2021-2022**

In planning for this current academic year we have had to consider the increased funding available to us from the Sport Premium grant. Our Vision for PE and sport remains unchanged. At Moss Lane School we are fully committed to ensuring that our children (and staff) are fit, healthy and active learners. We aspire to be a school that offers every child the opportunity to fulfil their absolute potential and we realise the vital role that sports and outdoor learning needs to play in realising those goals. We want our children to make healthy choices, to enjoy physical activity and to appreciate its benefits while embodying our core values of collaboration and fair play. The Sports Premium money that we are going to receive will be spent in a number of ways with the ultimate intention of providing high quality PE provision for all. The impact will be measured through engagement and achievement in sport but also through pupil's engagement in every other area of the curriculum, through improved self-esteem, physical and mental health and emotional well-being.

### **How to use the PE and Sport Premium Funding**

The DFE set out the suggested guidelines below as to how to make best use of Sports Premium Funding. To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sports Premium Funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school's improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation of competitive sport
