Dear Families,

As we come to the end of this academic year, I am sat in my office thinking about the adventures our children have had this year. From trips to Brooklands, Wisley and The Look Out Centre, the pantomime, animal visits and all the wow days. These events, and many more, have 'hooked' our children into their learning. Their engagement and enthusiasm has been wonderful to see, the children should all be very proud of themselves!

A very special thanks has to go to the amazing staff team that I am so proud to lead, I want to say a big thank-you for all your help and support over the year.

Moss Lane is a very special community school and we would not flourish without the help and support of our amazing parents, governors, staff, PTA, children and the local community. I believe the success of our school is based on the strong partnership between home and school so thank you!

I would like to say a huge thank to all our children who have worked so hard over the year and to our School, Eco Council and behaviour mentors for representing their classes and providing pupil voices this year with dedication and commitment. The children have presented their ideas clearly and done some great work.

A special mention goes to all our wonderful Year 2 children. You have been amazing and we will all really miss you. Good luck in your new schools, I know you will make us proud. Remember you are always part of the Moss Lane family so do pop in and say hello! Our best wishes also go to those families across other year groups that are leaving us, we will miss you all.

The governors are also an important part of the leadership of our school. Adam Boshoff, the Chair of Governors has provided an enormous amount of support throughout the year. Amongst the many roles governors have, they have spent time with Subject Leaders, understanding their action plans and how their subjects are implemented across the curriculum. They have monitored child protection, health and safety, and held the Headteacher to account. My thanks go to all the Governing Body for supporting our children.

The staff and I would like to thank parents and children for your kind words, cards and gifts. We are overwhelmed by your many kind gestures. As a staff we are all looking forward to a holiday and a recharge of batteries, ready for the new term in September. I look forward to welcoming Year 1 and Year 2 children back to school on Friday 2nd September 2022.

I wish you all a fantastic summer break, and a message for all the children...stay safe and have loads of fun!

Mrs Abbott
Headteacher
