Reg no: 11717912

Moss Lane School, Moss Lane,
Godalming, Surrey, GU7 1EF

June 2020

Dear Parents and Carers,

In our spring newsletter we informed you that, as a Godalming Learning Partnership (GLP) school, we are now part of a national project to improve children's writing called 'Talk for Writing' (TfW). This gives us access to expert input from the TfW team. Due to the pressures on the project we have had to be flexible in choosing our INSET days for next year to ensure we can gain access to the training we need. As yet we don't know how we will be returning to school in September, and are awaiting further guidance on this from the government. We will keep you updated once we know more.

Our Talk for Writing training days for the next academic year are:

- Thu **05 November** 2020 – all GLP junior schools will be closed for a Key Stage 2 TfW training day
- Fri **06 November** 2020 – all GLP infant schools will be closed for a Key Stage 1 TfW training day.
- Thu 05 and Fri 06 November 2020 - all GLP primary schools will be making their own arrangements (see below)
- Fri **26 February** 2021 – all GLP schools will be closed for a TfW training day

We understand that most parents would prefer us to add INSET days on to the beginning or end of school holidays but, on this occasion, we are unable to do this and still access the training we want. I am sure you will all be pleased that we are part of this exciting project.

So Moss Lane School INSET days for 2020-2021 will be as follows:

Tuesday	1 st September 2020
Friday	6 th November 2020
Friday	26 th February 2021
Monday	19 th April 2021
Monday	7 th June 2021

Kind regards,

Mrs Abbott
Headteacher
