Dear Families,

Can you believe it's nearly the end of the school year! Where has that time gone? The summer term is always a busy one, full of exciting activities and of course, changes. At this stage of the summer term, the children begin to think of what lies ahead. They will be full of mixed emotions; sadness as they near the end of their time in their current class and excitement and apprehension as they eagerly wait to move onto their new class or school. We will support them through this, encouraging positivity as I know you will too.

Mrs Abbott
Headteacher

Tuesday 12th July - Open Afternoon

You are warmly welcomed into your child's classroom to see their learning journey so far between 2.00pm - 3.15pm. You can come into school and see your child's work and books. It is a time to celebrate and share your support in your child's learning. This is a drop in session and also an opportunity for you to wander around the school and look at other classes especially your child's new class and see the topics they will be covering in the coming year. Children can leave once they have shown their parents/carers around. If you're are unable to attend, your child will remain in their classes. Please also visit Bears as all the children are very excited to show off their hard work.

Reports

On Friday 15th July you will receive your child's end of year report. There is an optional evening on Monday 18th set aside if you have any questions about their report.

This is not a normal parents evening with a slot for each child, we only have limited slots available therefore please speak to your class teacher after you have received your report about booking an appointment if you feel this is necessary.

Bump Up Day

On Tuesday the children enjoyed Bump Up Day where they got to meet their new teachers and LSA's, see their new classrooms and complete some fun tasks in preparation for the new term.

Our value for this term is

Book Amnesty...

Our school reading books are important to our children and us. Throughout the year, many books are lost at home or are not returned. These books are very expensive to replace so please join our book amnesty and return any books that you find at home that belong to us.

What's going on in school...

Year R Look Out Discovery Centre Trip...

Bears enjoyed a super trip to the Look Out Discovery Centre. They played in the Woods & Water Zone, the Light & Colour zone and the Forces & Movement, Body & Perception and Build It Zones. They also enjoyed a bugs and beasts session which included an interactive show covering topics such as food chains, habitats and animal classifications before heading into the forest for a bug hunt.

Summer Fair...

We are extremely grateful for your attendance and contribution at the school summer fair. The weather was glorious, the stalls fun and the barbeque delicious!

Special thanks to Karen Lucas and the PTA who spent many hours organising and running it. Also thank you to the governors for manning the barbeque and the staff for running the bottle tombola and tea, coffee and cake stall. I know everyone had a fun day!

Dental Visit

Last week Reception children enjoyed a visit from Dylan's mum Helen who works as a dental nurse. Helen chatted to the children about how to care for our teeth and even brought along her naughty crocodile to have his teeth brushed! The children all learned about keeping our teeth healthy and were given a goodie bag to take home. Dental care is now part of the EYFS curriculum and so this visit played an important part in the delivery of our Personal Social and Emotional Development curriculum.

Parent Governor Vacancy...

We are still looking for a Parent Governor to join the Moss Lane School Governing Board. If this is of interest and you would like more information please email aboshoff@moss-lane.surrey.sch.uk

A note from the Mayor...

On Friday, 22 July I am holding a charity event. Come along to a production by the Badapple Theatre Company of its show 'Tales From the Great Wood' right here in Godalming at the Wilfrid Noyce Centre at 6.15pm. Please join me on an eco-adventure that celebrates diversity and ecology. Tickets are £10 per adult/£5 per child

I am raising funds for my Mayoral Charity 'What Next? Climate Emergency Centres for Waverley'. Its aim is to raise funds for more events and entertainment about the environment and what we need to do about it.

Does your child want to learn an instrument?

Does your child want to learn to play an instrument? At Moss Lane we offer this through Surrey Arts. For more information click [here](#).

THANK YOU!

A big thank you goes to Mr Twaits, staff and parents who have helped on the allotment this weekend. We are planning another date in a couple of weeks' time. On Saturday they added a new hot composer and planted sweetcorn, courgettes and pumpkins. We will also be planting beans and tomatoes in the next few weeks.
