

Health & Safety Policy

Adopted On:	September 2022
Review Date:	September 2023
Review Frequency:	Annually
Approved By:	Governing Body

Statement of Intent

The governors of Moss Lane School are committed to the promotion of a safe and healthy working environment for staff, pupils and all other users of the school site.

Governors are committed to working within the framework provided by the Surrey County Council.

Governors are committed to the provision of adequate and appropriate safety training for staff.

Governors accept the right of trade union members to be represented on health and safety matters by an appointed safety representative who will be granted the appropriate time off to carry out their duties.

Governors will review this policy annually.

To comply with the Health and Safety at Work etc Act 1974, Section 3:

...it shall be the duty of every employer to prepare and as often as may be appropriate revise a written statement of his general policy with respect to the Health and Safety at work of his employees and the organisation and arrangements for the time being in force for carrying out that policy, and to bring the statement and any revision of it to the notice of all of his employees.

This policy statement supplements the general statements of policy issued most recently by the Surrey County Council, and obtainable via SCC website.

Part 1: Statement of General Policy on Health, Safety and Welfare

Part 2: Organisation and Responsibilities for Health, Safety and Welfare

Part 3: Arrangements and Procedures for Health, Safety and Welfare

Part 1

Statement of General Policy on Health, Safety and Welfare

The Governing Body and Headteacher:

- Recognise and accept their responsibilities to provide a safe and healthy working environment for all employees, students and visitors.
- Act in accordance with the general Health and Safety policy of Surrey County Council.
- Require all managers, in the school community, to act in accordance with SCC/School Health and Safety policy and procedures, and require the same of persons that they supervise and take responsibility for.
- Will provide, as necessary, policy, procedures, arrangements and supervision, sufficient to ensure to comply with all relevant Health and Safety legislation, and will, so far as is reasonably practicable ensure:
 - A school/workplace in a safe condition.
 - A safe working environment.
 - Safe systems of work.
 - Safe plant and equipment.
 - Safe access and egress to all areas of the school.
 - The safety of articles and substances for use at work and in school.
 - Sufficient instruction and training supervision.

In support of the above, the Governing Body and Headteacher will ensure an adequate process for all necessary risk assessments for the school to be carried out and communicated to all relevant persons, and for any significant finding to be properly incorporated into the school's Health and Safety procedures.

Part 2

Organisation and Responsibilities for Health, Safety and Welfare

The following Health and Safety organisational structure, and roles and responsibilities are approved by the Governing Body and Headteacher.

1. The Governing Body

The Governing Body approves the Health and Safety Policy of the school and monitors its successful implementation. The Governing Body further ensures, as administrators of the school's delegated budget that sufficient and appropriate resources are allocated to implement the Health and Safety Policies. The Governing Body will specifically:

- 1.1 Include Health and Safety targets in the School Development Plan (SDP).
Targets may include
 - Provision of facility for Health and Safety purposes
 - Reductions in accidents/incidents
 - Training for Governors/staff, and
 - Revision of policy/procedure
- 1.2 Nominate a Governor (Mary McAllen - Health and Safety) as a Health and Safety link between the Governing Body and the wider school community, who will stay up to date with school Health and Safety initiatives and inform the Governing Body accordingly.
- 1.3 Be informed and updated of Surrey County Council's Health and Safety Policy, and receive advice and support from relevant Officers of SCC or Advisers acting on SCC behalf.
- 1.4 Ensure that Health and Safety is an agenda item on full Governing Body termly meetings, and receive a termly Health and Safety update from the Headteacher at this time. This report should include information on
 - Progress of the Health and Safety targets in the SDP.
 - Accident/incident analysis.
 - Relevant Health and Safety information received from SCC or its Advisers.
 - Suggestion on future Health and Safety initiatives.
- 1.5 Facilitate any necessary review of the school's Health and Safety policy and procedure as may become apparent via the strategies above.

2. Headteacher

As Senior Leader for the premises, and of all on and off site school related activities, the Headteacher is responsible for the day to day management of Health and Safety. The Headteacher will advise SCC/Governors of any Health and Safety issue where their support or intervention, either via system or finance, is necessary and appropriate in order to effect the requirements of this

policy. In particular the Headteacher will ensure that:

- 2.1 The contents of this policy are brought to the attention of all relevant persons.
- 2.2 A process for risk assessments is applied within the school, and that:
 - All appropriate areas/activities are covered, (as per “core” Risk Assessment schedule attached, together with any risks identified as specific to the school).
 - Appropriate control measures are implemented, and that
 - Assessments are monitored and reviewed as necessary.
- 2.3 There is a management system for monitoring the effectiveness of Health and Safety arrangements, which form part of this policy.
- 2.4 Appropriate staffing levels for safe supervision are in place.
- 2.5 An adequate schedule of inspection and maintenance is in place to ensure a place of work in a safe condition and a safe working environment. Inspection and maintenance will include:
 - The fabric of the building.
 - Play equipment.
 - Fire appliances.
 - Boiler/heating systems.
 - Portable electrical appliances.
 - Water systems.
 - First Aid/medical equipment.
 - Premises staff equipment.
 - Curriculum specific e.g. gymnasium
- 2.6 An adequate needs analysis of Health and Safety training is undertaken for schools staff, and sufficient resources are put in place to ensure appropriate training is carried out. Appropriate training may include:
 - Headteacher Health and Safety awareness
 - Health and Safety Induction training (all new and temporary staff)
 - Emergency/Fire Training for the whole school community
 - First Aid
 - Risk Assessment
 - Health and Safety Coordinator
 - Lifting and Handling
 - Working at heights, and any further specific Health and Safety training identified by the training needs analysis as being necessary and appropriate.
- 2.7 Adequate and easily retrievable Health and Safety training records are available and up to date.
- 2.8 The school secures and maintains an arrangement for obtaining competent Health and Safety advice as required by the management of Health and Safety regulations.
- 2.9 A termly Health and Safety report is provided to Governors.

- 2.10 The school cooperates and participates in the County's Health and Safety monitoring arrangements.
- 2.11 A school's Educational Visits Co-ordinator is appointed and trained accordingly.
- 2.12 Contractors (including catering, cleaning and grounds staff) and other authorised visitors to the school are appropriately managed and monitored.
- 2.13 Appropriate procedures are in place for the reporting, recording, investigation and follow-up of accident and incidents.
- 2.14 Emergency/Fire arrangements are formulated and reviewed as necessary and tested at least termly.
- 2.15 The fire risk assessment is updated annually and/or whenever significant changes or building works might affect the means of escape.
- 2.16 An appropriate Deputy is suitably instructed to take day to day responsibility for Health and Safety in the absence of the Headteacher.

The Headteacher may delegate functions to other or single members of staff (e.g. the Health and Safety Coordinator) who may be tasked with the Health and Safety administrative arrangements for ensuring the above responsibilities are complied with. The Headteacher will in any event retain the overall responsibility for ensuring that these responsibilities are carried out.

3. Senior Leadership

The Senior Leadership Team will take on the above responsibilities in the absence of the Headteacher.

4. Line Managers

Managers in charge of Curriculum Areas/Departments/Staff are responsible to the Headteacher for ensuring the application of this policy within the individual areas that they control. In particular line managers will ensure that:

- 4.1 The school's risk assessment process is applied within their area and that control measures are implemented in accordance with the assessment and monitored and reviewed accordingly.
- 4.2 All accidents and incidents occurring within their areas are reported, recorded and investigated in accordance with the school's procedure.
- 4.3 All persons they manage, or are responsible for, are aware of their specific roles in case of fire emergency.

- 4.4 Any equipment/appliance which has been identified as being unsafe is removed from service.
- 4.5 Health and Safety inspections are carried out within their areas of responsibility within a timescale agreed with the Headteacher, and a report to the Headteacher is provided where necessary.
- 4.6 The Health and Safety training needs of staff are identified and the Headteacher informed accordingly.
- 4.7 Staff are properly consulted on any matters that may affect their health or safety whilst at work.
- 4.8 New transferred and temporary staff receive appropriate Health and Safety induction training.
- 4.9 First aid provision is adequate.
- 4.10 Pupils are given relevant Health and Safety information and instruction.

5. Teaching Staff [Including supply]

Teaching staff are responsible for the Health and Safety of all pupils under their control and in particular must ensure:

- 5.1 Effective and appropriate supervision of the pupils that they are supervising.
- 5.2 That appropriate safety instructions are given to all pupils prior to commencing practical sessions.
- 5.3 That they are conversant with the school's Health and Safety policy and any arrangements specific to their own department.
- 5.4 They know the emergency procedures.
- 5.5 Where relevant, that all personal protective equipment is suitable and in good condition prior to issue.
- 5.6 That, where relevant, safety devices such as machinery guards are in good condition and are used in accordance with good practice.
- 5.7 That they report any defective equipment to the relevant person.
- 5.8 All accidents and incidents are reported and reviewed or investigated.

6. Caretaker

The Caretaker is responsible to the Headteacher/School Business Manager, and in particular will ensure:

- 6.1 The removal from service of any item of furniture, apparatus or equipment which has been identified as unsafe.
- 6.2 That any identified hazard is appropriately removed, isolated or contained as necessary to prevent danger.
- 6.3 That periodic Health and Safety inspections are carried out at a timescale agreed by the Headteacher, paying particular attention to the building structure, services, access to/egress from the school, and the main circulation areas.
- 6.4 That persons they supervise only undertake work for which they are competent.
- 6.5 That any personal protective equipment issued to staff is suitable for the task and that training is provided in the correct use of the equipment.
- 6.6 That all staff work in accordance with safe working practices issued by the school, the County Council etc.

7. Health and Safety Co-ordinator

The Headteacher may appoint or nominate a Health and Safety Coordinator to carry out Health and Safety functions and maintain an overview of the Health and Safety organisation and management of the school, and report to the Headteacher accordingly. Specific functions of the Health and Safety Coordinator may include:

- 7.1 Having an overview of the school's Health and Safety Policy and Arrangements, bringing amendments to the attention of the Headteacher where necessary.
- 7.2 Overseeing and supporting the school's Risk Assessment/Risk Management process and advising the Headteacher of any deficiencies.
- 7.3 Carrying out, with the Headteacher and others as appropriate, the school's accident/incident recording, reporting, and investigation arrangements.
- 7.4 Arrange for termly evacuation drills and weekly fire alarm tests etc.
- 7.5 Advising the Headteacher and/or County Council of any defect in the state of repair of the building or its surrounds which is identified as being unsafe, and take whatever local action is necessary to minimise the risk until repairs can be arranged.
- 7.6 Arranging for the repair, replacement or removal of any item of furniture or equipment which has been identified as unsafe.
- 7.7 Co-ordinating regular Health and Safety inspections, ensuring all areas of the establishment and all activities are covered.

- 7.8 Reporting to the Headteacher any situation which is unsafe or hazardous to health and which cannot be remedied from readily available resources.
- 7.9 Liaising with and monitoring, as far as is reasonably practicable, the activities of contractors (including catering, cleaning and grounds staff) visitors and others on the site to ensure that any risks to the Health and Safety of staff and others are kept to a minimum.
- 7.10 Ensuring that all Senior Leaders are kept informed of the names and details of those persons appointed to provide competent Health and Safety assistance.

8. All Employees [including temporary and volunteers]

All employees are required to take care of their own safety and health whilst at work and that of others who may be affected by their actions.

Employees must also co-operate with the management of the school to ensure that all parties comply with their Health and Safety responsibilities. In particular all employees must:

- 8.1 Participate in the school's risk assessment process and comply with findings.
- 8.2 Report any defects in the condition of the premises or equipment of which they become aware.
- 8.3 Report all accidents/Incidents in accordance with the school's procedure.
- 8.4 Be familiar with the procedure to be followed in the event of a fire/emergency.
- 8.5 Make use, where relevant, of personal protective equipment provided for safety or health reasons.
- 8.6 Follow all relevant codes of safe working practice and local rules.
- 8.7 Report any unsafe working practices to their Line Manager.

Part 3

Arrangements and Procedures for Health, Safety and Welfare

The following procedures and arrangements have been established within our school to eliminate or reduce Health and Safety risks to an acceptable level and to comply with minimum legal requirements:

1. Accident Reporting, Recording and Investigation

All accidents and incidents are reported in the appropriate log book, located in the school office.

Moss Lane adheres to the SCC on-line accident/incident reporting system. By using this reporting system, statutory reports for HSE are automatically raised. The Headteacher is responsible for ensuring appropriate on-line reports have been completed. Moss Lane has previously received own log-in information, and any queries are directed to [SCC](#).

Although there is no longer requirement to use FIN241 form, all previous incident reports are filed as previous in school office.

Further information and an explanation of the legal requirements for accident / injury reporting under the "Reporting of Injuries Diseases and Dangerous Occurrences Regulations" can be found on VT4S website. Please also refer to policy on Child Protection

2. Asbestos

The Headteacher is responsible for Asbestos Survey Record, which was last completed summer 2009 and is located in the Admin Office.

To ensure any contractor or other worker are aware of asbestos risk, there are appropriate warning stickers in the relevant places detailing type 4 asbestos and directing personnel to contact Headteacher prior to start of work. Any damage to areas containing asbestos are reported via the maintenance log and routine assessment by the Headteacher.

3. Contractors

Contractors are responsible for complying with the school's health and safety requirements and have sight of Appendix A prior to starting work and as such:

- Contractors must make appropriate arrangements prior to visiting the school;
- All contractors must report to the school office immediately they arrive on the premises;
- Contractors must be informed of the parking arrangements in the school and must ensure that when moving their vehicles within the school curtilage they exercise due care and attention particularly when they

enter and leave the premises as children arrive and leave school at the start and end of the school day.

- Contractors will work under the close supervision of the Headteacher or Admin Officer so as not to endanger the health and safety of children or adults in the school;
- Any equipment that contractors bring into school must be stored in a safe place away from the corridors, classrooms, or areas used by adults or children;
- No repairs or maintenance can be carried out in areas which children or adults are occupying, including toilet areas;
- If contractors are working near children's play areas, then all equipment and machinery must be removed during playtimes, and contractors must leave the play area.

All work will be monitored by the Admin Officer and Caretaker and any concerns reported to the Headteacher, the contractor and the appropriate department at the LEA.

Guidance sheet *Appendix A* will be given to contractors

In all cases, a pre-contract meeting is held with Health and Safety as a routine agenda item. For large contracts, the vendor will provide the Headteacher with Health and Safety plan. For small contracts, Health and Safety briefing only will take place if any staff are concerned about Health and Safety pertaining to any contractor, this should be reported via the Line Manager and issue escalation route.

4. Curriculum Safety [including out of school learning activity/study support]

All teaching staff will be conversant with the school's Health and Safety policy and complete risk assessment specific to their own curriculum area prior to commencing hazardous activities. Subject Leaders will take into account Health and Safety procedures when reviewing and updating relevant curriculum policy.

The Headteacher will review and update all staff on Health and Safety concerns at the staff meeting at the start of the school year. In addition, updates will be provided during the year at staff meetings, at least on a termly basis.
